It’s a Small World

Last week we had so much fun here at Camp Australia! It was our superhero week and the children really got into the spirit of the theme! We made our very own superheros, played lots of superhero games and wrote about what costume and superpower we would have if we were a superhero!

This week our theme is now It's a Small World. We have played lots of games from all around the world including Thailand, Brazil, Chile, Greece and more! We are also going to learn to write our names in another language, the children are really excited to do this. We will be colouring flags from all around the world and learning about their differences and similarities to Australia. On top of all of this the children thought it would be a great idea to have a trivia afternoon full of questions about countries all around the world so this will be taking place later in the week. WOW what a week we have ahead of us.

The children here at Camp Australia love the outdoors. We have been spending lots of time being physical and enjoying the fresh air. The children have become particularly fond of playing the game red rover cross over and just can’t seem to get enough of it!

Both Ruby and I would like to thank all of the families here at camp Australia as you are making this experience a great one. We really appreciate your kind words and support for the service.

We’re here to make after school care visits the best experience possible for you and your child.

If you have any questions about the program please feel free to drop by, meet the team and see what happens in after school care first hand.

We look forward to seeing you soon. The Camp Australia Team,

Aimee O’Connor and Ruby Pryor ☺
