Welcome back to the new school year!  

We hope you enjoyed the summer break, and are ready to get back into school life. After having a fantastic holiday, we are so excited to be up and running this year! We have already become familiar with lots of new faces and have loved getting to know each individual child.

Our first two weeks have already been filled with so many fun activities and the children have been having SO much fun! Some of the things we have been up to include lots of outdoor activities such as red rover, tip and just playing in the park. We have also done lots of painting, craft, board games, and much more! Our theme for this week is superheroes! We have already designed our very own superhero and we have a lot more planned for the rest of the week including making our very own superhero mask!

To help get your family into the swing of things, here are some tips that you might find handy for easing your children into after school care.

**Tips for helping children (and parents) feel comfortable in after school care:**

1. Give your child as much advance warning as you can that they’ll be coming to After School Care.
2. Pop into the program with your child to meet our Camp Australia team and find out what kind of activities they can look forward to.
3. Speak with the Camp Australia Coordinator Aimee O’Connor if your child is nervous and let us know how your child felt after their first visit.
4. If there is something in particular your child would like to play when they are in our care, encourage them to let us know.

We’re here to make after school care visits the best experience possible for you and your child.

If you have any questions about the program please feel free to drop by, meet the team and see what happens in after school care first hand.

We look forward to seeing you soon. The Camp Australia Team,

Aimee O’Connor and Ruby Pryor 😊
