ETHICS CLASSES AT MOUNT OUSLEY PUBLIC SCHOOL

Dear Parents,

Ethics classes are now available in NSW public primary schools as an option for children who do not attend Special Religious Education (Scripture).

The NSW Government has authorised Primary Ethics, a not-for-profit organisation, to design curriculum and deliver these classes. Classes are inquiry-based and children use discussion to learn how to think about ethical matters through the give-and-take of reasoned argument. Trained volunteer teachers lead discussions. For more information about ethics classes and Primary Ethics please visit www.primaryethics.com.au.

Curriculum is now available for Years 1, 2, 3, 4, 5 & 6 students. Curriculum for kindergarten will be available mid 2014.

We are currently assessing demand for ethics classes. Please let me know if you are interested in choosing Ethics for your child by returning the slip below by Wednesday 28th November.
