Mount Ousley Public School is now accepting enrolments for 2016. Please contact the school for an application to enrol.

The kindergarten orientation program consists of three visits to the school in term 4. New children are invited to spend time in the kinder classroom to experience first hand what life is like at big school. They will find out where things are at our school, get to meet their Year 6 buddies for 2016 and participate in classroom activities.

Day 1:
Wednesday 28 October 2015, 10.00-11.30am

On the first visit, children and parents are welcome to join the kinder class. Once the children are settled, all parents will be invited to join the Principal to discuss organisational arrangements for starting school in 2016. It is important that everyone attends this meeting, as not all children will start school on the same day.

Day 2:
Wednesday 4 November 2015, 10.00-11.30am

On the second visit, children will join the kinder class, while parents are invited to participate in a forum, where information is presented by various staff and community members and you are able to ask questions.

Day 3:
Wednesday 11 November 2015, 12.30-2.00pm

On the third and final visit, children will join the kinder class, while parents are invited to attend a light luncheon, provided by the school's P&C. It is a great opportunity to mix with other parents who are used to school routines, and for you to ask questions about things that are new to you. Information about various aspects of school organisation will also be discussed.

When you arrive for the first orientation day, please come to the school office, where you will be given instructions on where to go. Welcome to our school; we look forward to meeting you.
