18 October 2018

Dear parents/caregivers,

This term, all students in Stage 2 will be participating in an excursion to Science Space. The excursion will aim to foster an interest in science, to broaden student understandings and to complement topics that are being studied at school. Students will not only explore over 100 hands-on exhibits, but will also visit the planetarium and take part in two science shows. Following the visit, students will participate in some outdoor learning activities at Stuart Park.

- Location:** Science Space (Innovation Campus, North Wollongong) and Stuart Park
Date: Thursday the 1st of November
Time: Meet at school at 9:00am, pick up from school at 3:00pm
Cost: \$13 per student
Transport: Bus
Uniform: School sports uniform
What to Bring: A small backpack with a water bottle, hat and all required food for the day (crunch and sip, lunch and recess) There will be **no** facilities to purchase food.

NOTE: By attending this excursion, students in Swim Scheme would have to miss out on one of their sessions. It is up to families as to which event you would like your child to participate in. Please understand, however, that if students choose to attend the excursion, they would not be able to get a refund for the missed lesson. We apologise for any inconvenience that this causes.

Please return the note below, with the cost for the excursion, **before Friday the 26th of October.**

Thank you!
Savanna Brule, Jo Crawford and Chelsea Van Dragt
