Dear Parents/Caregivers,

We are now in the final stages of organizing the Year 6 shirts! The students have picked the design they want and it looks fantastic. This means that the next step is to get sizes for everyone and to collect payment. The sooner we get these, the sooner we can finalise our order.

The cost of the shirt will be \$58 per shirt (includes GST, shipping and handling). Payment should be clearly labeled and go straight to the office with the cut off section from this note. You are welcome to order more than shirt, particularly if you are thinking about your child's growth/amount of use throughout the year.

To ensure the order is not delayed, all money and forms must be received before 7th March.
No late orders will be accepted.

Please use the sizing chart below to help you make your decision. We do not have any sample sizes to try on, so using the measurements might be helpful to make sure the shirt is the right fit. When filling out the note, please make sure you clearly circle the size you would like to order, as we cannot make any changes once the order has been sent through.
