## LIFE EDUCATION VISIT

7 February 2020

Dear parents and caregivers,

Life Education and Healthy Harold are again visiting MOPS with their mobile classroom! Their visit will take place in Weeks 3 and 4 of this term (13<sup>th</sup> of February – 18<sup>th</sup> of February).

The programs in Life Education address many of the components and objectives within the NSW PDHPE curriculum, including healthy lifestyle choices, personal safety, problem-solving skills, as well as how to maintain safe and respectful relationships. As a result, we would love to see all children participate in the experience as part of their classroom learning.

The cost of the incursion is **\$5 per student**. Please complete and return the permission note below by **Friday the 14<sup>th</sup> of February**. If you are experiencing any difficulties with payment, please speak to the office or Tiffany Sinton as soon as possible.

Thanks,  
The MOPS Staff
